**We will respect your personal journey with God!**

## **Prayer and Devotion Opportunities**

### **Our Lady of Fatima Devotion**

Our Lady came to Fatima with a message from God to every man, woman and child. She promised that the whole world would be at peace, and that many souls would go to heaven if her requests were listened to and obeyed.

In response to her requests, the First Saturday of each month is devoted to Our Lady of Fatima. This devotion includes 8:00 AM mass, a novena to Our Lady of Fatima, the Rosary, the opportunity to celebrate the Sacrament of Reconciliation, and fellowship in Carew hall at 9:00 AM.

All are welcome at this devotion.

### **Spend Some Time in Prayer Before the Blessed Sacrament**

Our church opens at 6:30 AM and remains open throughout the day for anyone who wants to make a prayerful visit. Please come and have some quiet time with God in the midst of our busy (and sometimes loud) world.

**We have times set aside when Our Lord, present in the Blessed Sacrament is exposed on the altar for your prayer.**

### **Monday Exposition and Benediction**

Every Monday afternoon the Blessed Sacrament is exposed from 2:00 PM until 7:00 PM. This opportunity for prayer ends with Benediction beginning at about 6:45 PM and ending at 7:00 PM

You can come at any time for any length of time to join in this quiet, reflective prayer time.

Make an appointment to spend time with Jesus!

### **First Friday Holy Hour**

Every First Friday of the month we have a Holy Hour before the exposed Blessed Sacrament. This communal prayer begins at 7:30 PM and run until 8:30 PM, closing with Benediction.

### **St Joseph Men's Prayer Group**

We meet every Tuesday evening at 7:30 PM in the Church where we pray the Rosary.

Afterward we move to the main vestibule for coffee, donuts and fellowship.

This is a great opportunity to be strengthened in your commitment as a Catholic man just by spending time with others like you!

**See you Tuesday!**

**OUR LITURGY**

The first reading tells of how God, from a jar containing a handful of wheat and a jar containing a few drops of oil, provides the Prophet Elijah, the widow of Zarephath and her son with enough food to eat for a year. Hebrews reminds us that Christ intercedes for us at the right hand of the Father in heaven. In the Gospel, Jesus reminds us that we are to serve others with humble and contrite hearts.

## **The New Liturgical Year is Coming**

And so are our new music books!

Our church year begins with the first Sunday of Advent - this year it falls on November 29. When we begin this year we will also begin using our hardcover Music Books Journeysongs. These books will add to the dignity of our celebrations, save us money because they are a one time investment, and save the environment.

Don't forget that you can help our parish by memorializing these books. See the full page ad in this bulletin. There is a form on the bottom for memorializing books!

## **Just a Reminder**

We no longer want your deposit bottles!

We stopped accepting them last January!

This was simply not an effective fundraiser for St Joseph Parish.

For the sake of our spiritual growth we are moving away from "last fruits" (deposit bottles) and toward "first fruits" when it comes to building the City of God

If you would like, feel free to return your own bottles and donate the change but we no longer accept deposit bottles!

**Please do not leave them here!**

## **Mourning With Hope**

In Paul's first letter to the Thessalonians he says I don't want you to mourn like those who have no hope (1 Thes 4:13). Notice, he doesn't say, "Don't mourn", He says we should mourn with hope!

**As we approach the holiday season the pain of missing loved ones can become a little more acute.**

Maybe looking at the real meaning of our holidays can help give us hope. Christmas is not just a time to be merry. Christmas is the celebration of God being born in our flesh out of intense love for us. It is the beginning of the mystery of our salvation - a mystery that brings us through the cross to the resurrection. He came into our world to live and die for you and me so that all of our crosses would lead to the resurrection. Crosses are real but the promise of new life in the resurrection is real too. A widow recently told me, "I know he is home with God. I just miss him! That is mourning with hope!"

**The Parish Offices will be closed on Monday Afternoon (November 9)**

**Our entire staff is participating in a workshop that afternoon!**

## **Hey, what's going on with Fr Thomas?**

Last June was a challenging time - Fr. Henry was finishing up his 5 year assignment and Fr. Thomas was asking the bishop if he could retire. The bishop approved his retirement but not right away. Since June, Fr. Thomas has been helping out at Our Lady of Ostrabrama Parish in Cutchogue. He did the English masses and a priest from Riverhead came in to do their Polish masses.

They now have a priest from Poland who speaks both languages. Fr. Thomas is helping him get ready to take the reigns of the parish. He will return to us in the beginning of December. Then on Christmas he will fly back to India to begin his retirement.

**So we need to celebrate his life of ministry!**

It turns out that Fr. Thomas is celebrating 45 years of priesthood on Monday December 21. This gives us another reason to celebrate with him.

**So On Sunday, December 20, we will have a party for Fr. Thomas in Carew Hall after the noon mass!**

Please come and join us as we celebrate Fr. Thomas' years of service here as part of his 45 years of service to the church as a priest!

## **The color of the front cover changed again!**

That means that there is some new information on the cover! This time we have the vision statements of our Cub Scout Pack and Boy Scout Troop under our mission statement.

We want to invite everyone to reflect on our parish mission statement and on how you see yourself or your group living that mission (Your vision). Every parish organization or ministry is asked to reflect on how your work advances the mission of bringing others to Christ. **If your group has not yet begun this process, please begin thinking about, talking about, and writing it!**

Then let's all make sure we are living it!

## **Anointing of the Sick Mass**

**Saturday November 14 at 11:00**

At this celebration we call upon the healing touch of Jesus especially for those who are physically ill or in need of any form of healing in their life.

Join us for this powerful form of prayer and the celebration of the Sacrament of

Anointing of the Sick

## Some Concerns About Building the City of God

In the last few weeks I have had some interesting conversations with three different parishioners. Some of the things that they heard from other parishioners were a little disturbing:

- **He's always talking about us having no money yet he is spending so much on the school.**
- First, always talking about having no money? Back in March I announced our total debt. I have casually mentioned it about 5 times since then, because it is part of our reality, and two weeks ago I put the accurate picture of our finances in the bulletin because you need to know. That doesn't exactly sound like always to me.
- Second, I imagine this is in reference to the information in the bulletin recently about some of the improvements in the school. This was to attract new families to the school. 90% of the improvements have been done with grants and have not cost the parish a thing. Some work was done before my time but we wanted to include all recent improvements in the school in our advertising.
- **When you got here you said, "Let us build the City of God" and that was exciting. Now it seems like all of your energy is on them. I asked "who are they?" and was told, "The school!"**
- When I got here I also said, regarding religious education and formation, our parish breathes through two lungs (our religious ed. programs and our Catholic school). One of those lungs (the school) has asthma and needs attention.
- When I announced our financial situation I said the answer to our struggles is growth – more people in the school and in the pews. There has been some (small) growth in both of these areas. Advertising the improvements in the school (which are also improvements in our parish facilities) is a way of attracting more people – so that we grow!
- One of the concerns about the school was that "they" are taking over "our space" (the school now uses Carew Hall for lunch). This is a cost saving move. Our maintenance people no longer have to set up and break down the gymnasium daily for lunch. They are free to be productive in other areas of our buildings and grounds.
- I am sure I said this since I got here – we are not a parish and a school. We are a parish with a school – one entity! Honestly, "us" and "them" does not fit in our conversations about St Joseph Parish and School. It's only "us!"
- Let's move on to the idea of "Let us build the City of God!" Look at that phrase – it doesn't say, "Let Fr. Mike build the City of God," it says "Let us!" We are all part of the common project of being a parish. If anyone feels that it is not happening or not fast enough, I encourage your participation in helping our parish to grow.
- **Someone was told, "He won't let us gather in Carew Hall after First Saturday Devotions." Thankfully this person asked if this group could gather and was given more accurate information.**
- Of course you can!!! I didn't know there was ever a difficulty with that. It turns out the difficulty came about with staffing changes. Our Saturday sacristan has been out since June (when new priests came). Somewhere, Carew Hall was not opened (because no one knew to do it) and this has continued through the summer – sorry about that. It was never a matter of not letting people gather to be church – it was an oversight and it is being corrected.
- **Someone was concerned that they (there we go with "they" again – this time it was the Knights of Columbus) can have a bake sale. Why can't we?**
- Now we have to get into parish finances a little to explain this. When I arrived it seemed there was some sale at the entrance of the church every weekend (Didn't Jesus say something about money changers?)
- One difficulty with these numerous sales is that they are "nickel and diming" people to death. We have a huge debt and we will have to address it. Nickels and dimes won't help and they may make people feel jaded when it comes to fund raising.
- The amount of energy spent on these small fundraising events could mislead us in two ways:
  1. We could believe that the energy spent is done because the events make huge amounts of money. They don't.
  2. We could also begin to believe that one of the purposes of a parish is to do fund raising events. It isn't. We do fund raising events because we need the funds to support our mission of making disciples.
- So we have cut back on many of the small scale type of fundraising events. One way we look at things is: *is it a fund raiser? It needs to raise funds. Is it a community builder? It needs to build community. Does it have benefits in both areas? Even better, but let's make sure it serves the purpose!* Another way we look at things (and this is the more important way) is to ask, *is it connected to our parish mission statement?* Go re-read it. This is why we exist. The Knights had a bake sale in order to support a work of mercy (clearly in the mission statement). It also built community among the "real men who baked." In this context the Knights bake sale was an appropriate parish event!

There are a few other issues that were brought up—basically asking "why is he doing that? We never did it that way before. Growth involves change. As we continue to grow there will continue to be some changes in our parish life.

**All of these issues are small. The more important issue is that all of this came up in the context of gossip. In order to build the City of God we need to stop that! Do you have a question, concern, or comment? Speak to me about it. This is much more productive than speaking about me to others.**

# Respect Life

Did you know that many New Yorkers – even pro-lifers-don't know that Planned Parenthood performs abortions? Well, they sure do –more than 300,000 each year.

Now, with all the publicity about the harvesting of unborn (aborted) baby parts by Planned Parenthood, including videos of officials discussing how much money they would make by selling aborted baby tissue and organs – it's become hard to deny.

One good thing – giant companies such as Coca-Cola, Xerox, and Ford Motor Company, American Express, and the American Cancer Society have all asked to be removed as contributors to PP. BUT – do you know who still does contribute to PP?

**YOU and ME!**

New York (and other states') taxpayers have been footing the bill for Planned Parenthood's day-to-day operation at the state and federal levels for far too long. Over \$500 million in public dollars flow to the abortion giant each year. It seems to be too absurd to be true - taxpayer dollars for an organization that harvests baby parts to order AND then defends the practice as a "humanitarian undertaking."

New Yorkers and others who've believed the lie – that babies in the womb are no more than tissue – realize that mere "tissue" doesn't have a liver to harvest. You can't secure an intact heart from a 'clump of cells'.

So let's end taxpayer funding of Planned Parenthood. We hope and pray that Americans are finally starting to see past the façade of this organization for what it really is : a business that survives on the exploitation of children. How do we do that? Let's start with convincing our legislators to pass the Pain-Capable Unborn Child Protection Act and Unborn Child Protection from Dismemberment Abortion Act.

The Catholic Church in the US celebrates National Vocation Awareness Week, November 1-7

### **"To what vocation in life is God calling me?"**

Loving God, your Son, Jesus, has shown us that an open heart finds the way.  
Help me to find my way in this world.

Keep my heart open to following Jesus' way of serving others in love.

Give me the courage to accept the guidance you offer me  
through my family, my friends, and my parish community.

Are you calling me to a vocation of ministry in the Church as Priest, Sister,  
Brother or Deacon?

We do need men and women to help lead us as Church, Lord.

Speak to me Lord.

Open the minds and hearts of many men and women to live your Word and build your Kingdom.

Speak to me Lord.

Plant your Word within me so that whatever you call me to be or do I may say,

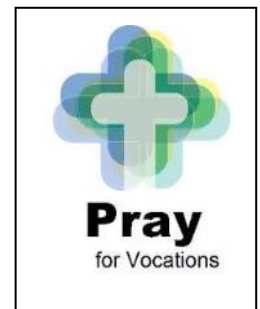

"Yes, Here I Am Lord. Lord here I am! What would you like me to do with my life?"

***(Pause to listen to God for a moment)***

Teach me to do your will, Lord. And let your Holy Spirit guide me!

With you, my God, I know I can find my way.

Amen.

## Journeysongs

### *This hardcover hymnal will help our parish in many ways:*

- It will look better than softcover books that can get kind of crumpled looking after a few weeks.
- It helps us to care for our environment - we are no longer adding old booklets to the landfill four times a year.
- We will save money by not having to pay for new booklets every year.

### *This book will serve us in much the same way as before:*

- It comes from the same music publisher so the songs we know will be in it.
- We will still have the Sunday readings in this book.

### *Here's how you can help us in this transition:*

- We are asking parishioners to memorialize books by making a \$25 offering per memorial.
- A label noting the memorial will be placed in the inside cover of each book.
- This memorial will connect our celebration with the eternal celebration in heaven!

Journeysongs will be part of our celebrations starting on the First Sunday of Advent. (November 29)  
 Interested in seeing a copy of Journeysongs? — There is a copy on the organ, or ask Mike Keller.

**Please return this form in an envelope with your memorial donation to the Rectory, in the collection basket, or by mail.**

I CAN'T CONTRIBUTE MORE MONEY BUT I DO WANT TO  
HELP ST. JOSEPH PARISH REDUCE THE PARISH DEBT.*

Here is an easy way you can help! Each year we have a Backward Drawing Fundraiser. You've seen the flyer in the bulletin. We need people to help sell Backward Drawing tickets after Saturday/Sunday Masses November 7/8, 14/15 & 21/22. It's a simple, exciting way to get involved. All we ask is that you stay when Mass is over and tend to the ticket table as people come to you to purchase their ticket. We will give you all the information and instructions you need. If you are interested, please provide your name, phone number, dates and Mass times you are available to sell the tickets. You can do as much or as little as you want. Please think about volunteering your time and talent in this way.
