Registration for First Communion

Here at St. Joseph we have a two-year Sacramental Prep program to prepare the children for their First Holy Communion. This begins in Grade 1.

If you have a child entering Grade 1 in September, and wish for him/her to receive First Communion, please call St. Joseph's Religious Education at 981-1805 for Registration Forms.

If you missed registering your child when they were in Grade 1, and would still like for him/her to receive the sacrament, please call our office.

You can also download registration forms from our Website at Reled.StJoRonk.org
